Keep dry. Use normal precautions.

**SECTION 8: Spill or Leakage control Procedures**

Sweep up or flush spill area with water, dispose of in accordance with applicable regulations.

**SECTION 9: Physical data**

The following data is approximate or typical values and should not be used for precise purposes or product specification.

VOC: None  
Solubility in Water: 96%  
pH: Neutral

**SECTION 10: Reactivity Data**

Stability: stable  
Hazardous polymerization: will not occur  
Conditions to avoid: none known  
Incompatibility: none known  
Hazardous decomposition products: none known

The information in this Material Safety Data Sheet is drawn from recognized sources believed to be reliable but is provided with warranty.

The user must determine safe condition and assume liability for and loss, injury, damage, or expense resulting from use of this product.

Inventories: All components of this product are listed on the EPA's TSCA inventory.
